

Immunization Records-Pertussis

For each eligible claimant, the following activities are eligible for reimbursement:

For students entering the 7th grade:

(1) Receive and review the following documents for all pupils entering the 7th grade to determine whether to unconditionally admit or conditionally admit the pupil:

- a) A written record of the pertussis vaccination (Tdap booster) that contains the name of the pupil, birth date of the pupil, the date of the pertussis vaccination, and the name of the physician or agency administering the vaccine; or
- b) Documentation showing a pupil's permanent medical exemption or personal beliefs exemption to immunization. A permanent medical exemption shall be granted upon the filing of a written statement from a licensed physician to the effect that the physical condition of the pupil or medical circumstances relating to the pupil are such that immunization is permanently not indicated. A personal beliefs exemption for the pertussis booster shall be granted upon the filing of a letter or affidavit from the pupil's parent or guardian or adult who has assumed responsibility for his or her care and custody in the case of minor, or the person seeking admission if an emancipated minor, that such pertussis booster immunization is contrary to his or her beliefs.
- c) Documentation showing a pupil is temporarily exempted from immunization for medical reasons.

Pupils who are fully immunized against pertussis based on records provided by the student's physician or agency performing the immunization, or who have documented a permanent medical exemption or a personal belief exemption to immunization against pertussis shall be unconditionally admitted to grade 7. Pupils who have a temporary medical exemption shall be admitted to grade 7 on condition that the required immunization is obtained at the termination of the exemption.

(2) If it is determined that a pupil seeking admission lacks documentation that he or she has been fully immunized against pertussis, and does not have a permanent medical exemption or a personal belief exemption to the pertussis immunization, advise th pupil, or the parent or guardian, to contact a physician or agency that provides immunizations.

(3) For any already admitted pupil who is later found not to have complied with requirements for conditional admission, notify that pupil's parents or guardians of the requirement to exclude the pupil from school if written evidence of the required immunization for pertussis, or lawful exemption therefrom, is not obtained within 10 school days.

(4) Report to the attendance supervisor or building administrator any pupil excluded from further attendance who fails to obtain the required immunizations within 10 school days following notice, unless the pupil is exempt for medical reasons or personal beliefs, until the pupil provides written evidence that he or she has received the pertussis immunization required.
